

We Can Work It Out

Stevie Wonder

Try to see things my way
Do I have to keep on talking
Till I can't go on? While you see it your way
Run the risk of knowing
That our love may soon be gone We can work it out
We can work it out Think of what you're saying
You can get it wrong
And still you think that it's alright Think of what I'm saying
We can work it out and get it straight
Or say good night We can work it out
We can work it out Life is very short
And there's no time
For fussing and fighting, my friend I have always thought
That it's a crime
So I will ask you once again Try to see things my way
Only time will tell
If I am right or I am wrong While you see it your way
There's a chance
That we might fall apart
Before too long We can work it out
We can work it out We can work it out
We can work it out
We can work it out Try to see things my way
Only time will tell
If I am right or I am wrong While you see it your way
There's a chance
That we may fall apart
Before too long We can work it out
We can work it out Think of what you're saying
You can get it wrong
And still you think that it's alright Think of what I'm saying
We can work it out and get it straight
Or say good night We can work it out
We can work it out
We can work it out
We can work it out
We can work it out
