## We Can Work It Out

## **Stevie Wonder**

Try to see things my way

Do I have to keep on talking

Till I can't go on?While you see it your way

Run the risk of knowing

That our love may soon be goneWe can work it out

We can work it outThink of what you're saying
You can get it wrong

And still you think that it's alrightThink of what I'm saying
We can work it out and get it straight
Or say good nightWe can work it out
We can work it outLife is very short

For fussing and fighting, my friendI have always thought
That it's a crime

And there's no time

So I will ask you once againTry to see things my way
Only time will tell

If I am right or I am wrongWhile you see it your way
There's a chance

That we might fall apart
Before too longWe can work it out
We can work it outWe can work it out

We can work it out

We can work it outTry to see things my way
Only time will tell

If I am right or I am wrongWhile you see it your way

There's a chance

That we may fall apart
Before too longWe can work it out

We can work it outThink of what you're saying

You can get it wrong

And still you think that it's alrightThink of what I'm saying We can work it out and get it straight

Or say good nightWe can work it out

We can work it out
