

# Rocks

## Freiband

Strokes of dark, a brush of light  
I watch you bring your canvas into light  
Oh, I know that's how you see the world  
I know that you see anything you like

But now I'm doubting me

I know I shouldn't be

But I've been down, I've been down

'Cause it was love, wasn't it?

Well, it's killing me not having it

It's hard to not remember, forget it's not the same

When still you come and tell me

"Sorry, I came without an invitation

Just wanted to be loved", now you know

The last perfect thing

You know that you bring me back to life

On and on and on and on

I think about you all day long

I need you to be stronger

'Cause now I'm doubting me

I know I shouldn't be

But I've been down, I've been down

'Cause it was love, wasn't it?

Well, it's killing me not having it

It's hard to not remember, yeah, it's not the same

When still you come and tell me

"Baby, I came without an invitation

Just wanted to be loved"

Yeah, yeah, yeah, I hear the sound

And I know that you'll be coming 'round

You know, I'll wait for you

Oh, love, it's killing me not having it

I need you to be stronger

Don't wanna hear the sound

'Cause rocks upon my window

Mean that you're coming 'round

And how could I resist?

When I think you're still in love

How can I move on?

When I wanna be in love with you, oh, with you
