

# Damn Right

James Otto

You can always find me here  
Raisin hell and drinkin beer  
With all my good time buddies  
Cuttin up and havin fun Yeah, the jokes can be on me  
And I dont mind usually  
Im an easy goin, back slappin son of a gun But she just left me  
And thats just left me undone  
So you dont want to push your luck boys, not tonight  
Just dont bring up her name one more time If you think Im in the mood to pick a fight  
Youre damn right Shes gone and I admit I was wrong  
But I cant quit  
Thinkin about how good our love used to be  
And the whiskey numbs the pain But in the morning when I wake  
Ill be hungover hangin on to a memory  
And Ill order one more round  
Lose the Coke and keep the Crown And just drown my misery  
And Ill blind myself with liquor and neon lights  
Alone and stoned out of my mind If you think Im flyin high as a kite  
Youre damn right Now Im just tryin to make it through  
But gettin over you is a long, long road  
And Im a strong man but its killin me lettin go  
And Id love to say it aint but I cant lie  
Yeah, pretend that I got somethin in my eyes If you think Im gonna break down and cry  
Youre damn right, youre damn right
