

Gravity (LIVE)

A Perfect Circle

Lost again
Broken and weary
Unable to find my way
Tail in hand
Dizzy and clearly unable to
Just let this go I am surrendering to gravity and the unknown
Catch me heal me lift me back up to the sun
I choose to live I fell again
Like a baby unable to stand on my own
Tail in hand
Dizzy and clearly unable to just let this go
High and surrendering to gravity and the unknown
Catch me heal me lift me back up to the sun
I choose to live, I choose to live, I choose to live Catch me heal me lift me back up to the sun
Help me survive the bottom Calm these hands before they
Snare another pill and
Drive another nail down another
Needy hole please release me I am surrendering to gravity and the unknown
Catch me heal me lift me back up to the sun
I choose to live, I choose to live
