Forever

Bart Crow Band

I can take what I feel
cause I know its real
and I know I love you
and you came in my world
and showed me whats real
and I know my heart is yours to hold[chorus]
cause you, you gave me hope
and you, you showed me you cared
and you said I was your best friend
then you told me you'd love me foreverso here
please take my hand
cause you are my heart
and I wanna give it to you
cause I wanna lay by your side the rest of my life
today will you please be my wife will you[chorus]
cause you, you gave me hope
and you showed me you cared
and you said I was your best friend
then you told me you'd love me forever
yeah you told me you'd love me forever [x2]
