

Strange Love

Mary Wells

Strange love, I'm experiencing a strange love
& all those funny funny things you do, ha ha ha ha ha!
They only drive me closer & closer to you, mmm yeah Strange romance, they say I'll never ever ever ever have
a chance
But every time I close my eyes & try to realize it
I find it harder & harder to do, mmm I wonder, I wonder if he ever thinks about me
& if it's so, I wanna know 'cause
Every day I love him & more Strange, strange affair, I keep hoping that someday, one day you'll care
Enough to come into my arms so that I can give you
All my, & all my, all my love, all my love, all my love, all my love
All my love, oh I just wanna give you all my love
...& fade
