

Rise Up

[Sheryl Crow](#)

We take one step
One tiny step and we're on our way
To where we are from where we were
Just yesterday Well the sun's gonna rise
When it's everything or nothing
And everything seems dark
The sun's gonna rise up with you You'll be alright
I'm on your side
And we'll make it through
When you can't go on
I will be strong
Enough to carry you Well the sun's gonna rise
When it's everything or nothing
And nothing seems alright
The sun's gonna rise up with you
