

# I Think I'm in Love with You

Jessica Simpson

I think I'm in love  
I think I'm in love  
I think I'm in love Every time you're near baby  
I get kinda crazy in my head for you  
I dunno what to do  
And oh baby, I get kinda shaky  
When they mention you  
I just lose my cool My friends tell me  
Somethin' has come over me  
And I think I know what it is  
I think I'm in love in love I think I'm in love Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you Just the other night, baby, I saw you hanging  
You were with your crew, I was with mine too  
You took me by surprise  
When you turned and looked me in my eyes  
Boy you really blow my mind I dunno what's gotten into me  
But I think I know what it is  
I think I'm in love Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you Somethin' strange has come over me  
Got me goin' outta my mind  
Never met a guy like you before  
You make me feel special inside  
I think I'm in love, yeah I think I'm in love oh yeah  
I think I'm in love, in love with you Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you

I been tellin' all my friends what I feel for you Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you Boy I think that I'm in love with you  
I been doin' silly things when it comes to you  
Boy I think that I'm in love with you  
I been tellin' all my friends what I feel for you I think I'm in love  
I think I'm in love  
I think I'm in love
