NOFX they comin' full range and

Roni Size he comin' full range

the one Mr. Vegas you know it ain't easy

A warning to the crews out there who think they're hot

if you're not original rockers you will get shot

down by the kids neglectin' your art, the stuff you did

eventually it get so bad puts you to bed

cause when the lightning flashes sweet electricity

all the world then stands revealed with the clarity

of raw voltage, briefly we see and the hope is

you'll be able to tell just what dope is

Come original you got to come original

you got to come original you got to come original

all entertainers

Funk slap bass mixed with the dancehall and
hip-hop beats and punk guitar and
deadly on the mic is the one SA

(Come on, come on)

This is not a test there's no time to mope
how you gonna cope with radioactive isotope
and boss DJ illness upon you now quickly
infecting you fast upon the airwaves
this message brought to you by the so large system
activate and attune yourself with meditation
and green plants they've got mad life they're sentient
they're beautiful as you and they like to dance

(1, 2, 3, 4)

Everything we do we gotta come original
put your hands up in the air and prepare for battle
sit upon the rhythm like a tire upon a rim
we do it non-stop and then we do it again
some a them whine and some a them bitch
they can not do it never switch
comin' up from the heart and
delivered with a wild pitch
sit up on top the rhythm like a wild stallion
this is the ruling system

Come original you got to come original
all entertainers come original
you got to come original you got to come original
all entertainers come original
you got to come original you got to come original
all entertainers come original
you got to come original you got to come original
all entertainers

Come original
