Driver's Seat (12"Version)

Sniff 'n' the Tears

Doing alright
A little jiving on a Saturday night
And come what may
Gonna dance the day awayJenny was sweet

She always smiled for the people she meets

On trouble and strife

She had another way of looking at lifeNews is blue (the news is blue)

Has its own way to get to you

What can I do (what can I do)

I never remember my time with youPick up your feet

Got to move to the trick of the beat

There is no elite

Just take your place in the driver's seatDriver's seat, oohoo, driver's seat, yeahDoing alright
A little jiving on a Saturday night

And come what may

Gonna dance the day awayDriver's seat, oohoo, driver's seat, yeahJenny was sweet

There is no elite

Pick up your feet, pick up, pick up

Pick up your feet, gonna dance the day awayDriver's seat, oohoo, driver's seat, yeah

Driver's seat, oohoo, driver's seat, yeah

Driver's seat...
