Be Near Me (Re-Recorded)

ABC

The message is perfectly simple
The meaning is clear
Don't ever stray too far
And don't disappear
No don't disappearEver had the feeling almost broke in two?
Said that you were leaving like you do you do?
All my dreams came true last night
All my hopes and fears
All my dreams came true once more
In tears in tearsBe near me Be near Be nearNever had that feeling until I first me you
Never felt I like kneeling now I do, yes I do
All my dreams came true last night
All my hopes and fears
All my dreams came true once more
In tears in tearsBe near me Be near Be nearWhat's your reputation?
Ecstasy!
What's you destination?
Next to me
