Babylon

Tom Keifer

So you really want a taste of Heaven
So you really want to feel it all
The garden's waiting-lustful tasting
Just a sip is enough
From the Devil's cupSo what's wrong little sugar
You're back in Babylon
Get it on little sugar
You're back in Babylon
Like a lover, you can feel her coming
A little Eden deep inside us all
The last temptation-sweet damnation
Just inside of the walls
Is your rise and fallSo what's wrong little sugar
You're back in Babylon
Get it on little sugar
You're back in BabylonFeel the waves crash all around
Feel so good on your way down
Such a sweet unholy groundYou're back in Babylon
You're back in Babylon
Oh come on little sugar
So what's wrong little sugar
You're back in Babylon
Get it on little sugar
You're back in Babylon
You're back in Babylon
Get it on little sugar
You're back in Babylon
You're back in Babylon
So what's wrong little sugar
