

You Can Get It If You Really Want

Desmond Dekker

You can get it if you really want
You can get it if you really want
You can get it if you really want
 But you must try, try and try
Try and try, you'll succeed at last
Persecution you must bear
 Win or lose you've got to get your share
 You've got your mind set on a dream
You can get it, though harder them seem now
You can get it if you really want
 You can get it if you really want
 You can get it if you really want
 But you must try, try and try
 Try and try, you'll succeed at last
Don't you know, listen
Rome was not built in a day
 Opposition will come your way
 But the hotter the battle you see
It's the sweeter the victory, now
You can get it if you really want
 You can get it if you really want
 You can get it if you really want
 But you must try, try and try
Try and try, you'll succeed at last
You can get it if you really want
 You can get it if you really want
 You can get it if you really want
 But you must try, try and try
Try and try, you'll succeed at last
Don't you know it
 Don't I show it
 Don't you know
