

# Say Maybe

Neil Diamond

Why make me plead  
For what I need  
And I need you Why, why make me weep  
Cry in my sleep  
Cause I need you Say maybe  
Won't you even say sometime, baby  
Won't you say lovin' words again Say baby  
Don't you know I'm a fool about you  
If I tried, I could live without you  
For maybe a day (maybe a day) I, I've been around  
Finally found  
And I need you And I, I know what I got  
And I got a lot  
But baby I need you
