

# Aura (Live @ iTunes Festival)

## Lady Gaga

I killed my former and  
Left her in the trunk on highway ten  
Put the knife under the hood  
If you find it, send it straight to Hollywood Ha ha ha ha ha ha ha ha ha ha  
Ha ha ha ha ha ha ha ha ha ha ha  
Ha ha ha ha ha ha ha ha ha ha ha  
Aura-a-a-a aura-a-a-a  
Aura-a-a-a aura-a-a-a  
Aura-a-a-a aura-a-a-a I'm not a wandering slave I am a woman of choice  
My veil is protection for the gorgeousness of my face  
You ought to pity me 'cause was always one man to love  
But in the bedroom the size of him's more than enough Do you wanna see me naked, lover?  
Do you wanna peek underneath the cover?  
Do you wanna see the girl who lives behind the aura, behind the aura?  
Do you wanna touch me, cosmic lover?  
Do you wanna peek underneath the cover?  
Do you wanna see the girl who lives behind the aura?  
Behind the aura, behind the aura, behind the aura? Enigma pop star is fun, she wear burqa for fashion  
It's not a statement as much as just a move of passion  
I may not walk on your street or shoot a gun on your soil  
I hear you screaming, is it because of pleasure or toil? Dance, sex, art, pop, tech  
Dance, sex, art, pop, tech Do you wanna see me naked, lover?  
Do you wanna peek underneath the cover?  
Do you wanna see the girl who lives behind the aura, behind the aura?  
Do you wanna touch me, cosmic lover?  
Do you wanna peek underneath the cover?  
Do you wanna see the girl who lives behind the aura?  
Behind the aura, behind the curtain, behind the burqa
