

Go First (perfect Gentleman)

Mario

they say chevalier is dead
my love will make you change your mind
what i lay here on the bed
i will treat your body like adorning ..
i am a perfect gentleman baby i am a gentle with you
i am your biggest fan i am not watching from a stand
is your turn baby go first
ain't no need for me to go fat
i will let you pass
girl you got the right away to check me
it's gonna be ladies first
tonight is gonna be ladies first with me is always gonna be ladies first

don't lay your ..
girl i need you to stick more
i am going deeper deeper
try to touch your heart
don't you feel me going hard
put you before me trust me
i am your biggest fan i am not watching from a stand
is your turn baby go first
ain't no need for me to go fat
i will let you pass
girl you got the right away to check me
it's gonna be ladies first
