

Long Hauls and Close Calls

Hank Williams III

I'm all messed up in Texas,
and I'm lookin' for a damn good time.
Well all my friends in Texas,
well they've already lost their minds.
Coz' I've been drunk for 30 days
and I don't care if I die.
And I'm druggin' fast and hard,
and that's the way I spend my time.
And I don't need no one tryin' to tell me how to live my,
Own no good life.
My own HellBilly ride.(chorus)
Well these Looong long long long hauls.
And those Clooose close close calls.Cozy the Devil is my friend.
Cozy the Devil is my friend.
Cozy the Devil is my friend.
Cozy the Devil is my friend.(instrumental break)Cozy I've been drunk for 30 days
and I don't care if I die.
And I'm druggin' fast and hard,
and that's the way I spend my time.
And I don't need no one tryin' to tell me how to live my,
Own no good life.
My own HellBilly ride.(chorus)
Well these Looong long long long hauls.
And those Clooose close close calls.Cozy the Devil is my friend.
Cozy the Devil is my friend.
Cozy the Devil is my friend.
Cozy the Devil is my friend.
