Gandhi

Paco Fernandez

I wanna find peace like Mahatma Gandhi
Wanna drink champagne and be cool like Blondie
Buy a backpack, let's leave the country
'Cause if I got you, I'm gonna be alright
If I got you, I'm gonna be alright
Say hello to my naked dream
Where the strong will follow and the weak will lead
Look around you, it's time to leave
La, la, la, la, la, la
Close your eyes, I'll take you there
I wanna find peace like Mahatma Gandhi
Wanna drink champagne and be cool like Blondie
Buy a backpack, let's leave the country
'Cause If I got you, I'm gonna be alright
I wanna fly a kite off the wall of China
I wanna go shopping like Winona Ryder
I got two coach tickets on a jet airliner
'Cause if I got you I'm gonna be alright
If I got you, I'm gonna be alright
Say hello with the Buddha's eyes
Say you're scared, I can sympathize
That will fade once we reach the sky
La, la, la, la, la, la
Close your eyes, I'll take you there

I wanna find peace like Mahatma Gandhi
Wanna drink champagne and be cool like Blondie
Buy a backpack, let's leave the country
'Cause If I got you, I'm gonna be alright
I wanna fly a kite off the wall of China
I wanna go shopping like Winona Ryder
I got two coach tickets on a jet airliner
Cause if I got you I'm gonna be alright
If I got you, I'm gonna be alright
Goodbye to air we can barely breath
We try, but is this really the life we thought it would be?
Life's a rocket that flies on by
You can't slow it down or press rewind
I wanna find peace like Mahatma Gandhi

Wanna drink champagne and be cool like Blondie
Buy a backpack, let's leave the country
'Cause If I got you I'm gonna be alright
I wanna fly a kite off the wall of China
I wanna go shopping like Winona Ryder
I got two coach tickets on a jet airliner
'Cause if I got you I'm gonna be alright
If I got you, I'm gonna be alright
