

Anti Love Song

Skunk Anansie

Skin

No I don't want love you,
`cos I know who you are,
That`s why i`ve been staying away from you,
That is why I ever call,
Huummm, I know that you could possess my body,
And I know you could make me scrawl
I know you`d have me shaken,
Have me climbing the wall
That`s why I don`t wanna` love you
Lenny kravitz
`cos I know how you are
Sure you say you`re right on and your righteous, girl
Come with me, I know you`d be right off
`cos I know you could possess my body,
I know you could make me crawl,
And just as hard as I fall for you girl,
Well you know you would fall for me harder
That`s why I don`t want to love you

Skin

`cos I know what you would do to my heart
You scourge me like a hot iron,

Leave me whining all alone in the dark,
`cos I know that you would make me suffer
I know that you would drive me wild (that`s right) wild
You would take me in a circle
And when it gather you, I know you`d disappear
That`s why I don`t wanna` love you

Lenny kravitz

`cos I know you like to be in charge,
And with me you know you can`t control me, baby,
`cos you know you drive your car
I have you eating your ego (I don`t think so !!)
I`d make it pocket your pride, oh no
And just as hard as i`ve been loving you, oh girl,
Well you know you`d be loving me harder

Lenny & skin

That`s why I ain`t gonna` love you

Lenny
Harold, come on
Lenny & skin
That`s why I don`t wanna love you
No I don`t want to love you x7
