

# Anti Love Song

## Skunk Anansie

Skin

No I don't want love you,  
`cos I know who you are,  
That`s why i`ve been staying away from you,  
That is why I ever call,  
Huummm, I know that you could possess my body,  
And I know you could make me scrawl  
I know you`d have me shaken,  
Have me climbing the wall  
That`s why I don`t wanna` love you  
Lenny kravitz  
`cos I know how you are  
Sure you say you`re right on and your righteous, girl  
Come with me, I know you`d be right off  
`cos I know you could possess my body,  
I know you could make me crawl,  
And just as hard as I fall for you girl,  
Well you know you would fall for me harder  
That`s why I don`t want to love you

Skin

`cos I know what you would do to my heart  
You scourge me like a hot iron,

Leave me whining all alone in the dark,  
`cos I know that you would make me suffer  
I know that you would drive me wild ( that`s right ) wild  
You would take me in a circle  
And when it gather you, I know you`d disappear  
That`s why I don`t wanna` love you

Lenny kravitz

`cos I know you like to be in charge,  
And with me you know you can`t control me, baby,  
`cos you know you drive your car  
I have you eating your ego ( I don`t think so !! )  
I`d make it pocket your pride, oh no  
And just as hard as i`ve been loving you, oh girl,  
Well you know you`d be loving me harder

Lenny & skin

That`s why I ain`t gonna` love you

Lenny  
Harold, come on  
Lenny & skin  
That`s why I don`t wanna love you
