

Somewhere In the City

Madcap

Sometimes it's hard to see
Good times ahead for you
With all this hate and greed
Getting in the way You should come ride with me
I know a place for free
We can run and hide
Through the day and night New York or L.A.
Downtown's the place
For hearts like ours Together we're free
We'll run you and me
In the city tonight Somewhere in the city tonight Well, somewhere in the city tonight
We'll hide on, we'll be alright
Well, somewhere in the city tonight
We'll hide on, we'll be alright Let's go
Come on Let's run the streets near 25th
Watch the fog roll over that golden gate
There's time tonight and nothing we can lose New York or L.A.
Downtown's the place
For hearts like ours Together we're free
We'll run you and me
In the city tonight Somewhere in the city tonight Well, somewhere in the city tonight
We'll hide on, we'll be alright
Well, somewhere in the city tonight
We'll hide on, we'll be alright Well, somewhere in the city tonight
We'll hide on, we'll be alright
Well, somewhere in the city tonight
We'll hide on, we'll be alright Well, somewhere in the city tonight
We'll hide on, we'll be alright
Well, somewhere in the city tonight
We'll hide on, we'll be alright Alright
