

Gimme Your Love

[John Denver](#)

This song was first released on the Dreamland Express album. It is the only album it has been released on.

Oh, spring is here and love is in the air
Overflowing with life and I don't have a care
I'm gonna see you shining like your diamond ring
Every cell in our body is singing Gimme your love forever
Gimme your love
Gimme your love forever
Oh, oh, gimme your love imme your love
All around I see signs of rebirth
Resurrection, renewal, celebration of life on earth
Baby won't you stay with me and watch your garden grow
I love you, I want you, please say you'll Gimme your love forever
Gimme your love
Gimme your love forever
Oh, oh, gimme your love imme your love People think I'm crazy as I walk along the street
I don't understand 'em anyway
All I know is since you came my life has been so sweet
And that's the way I know it's gonna stay Baby won't you stay with me and watch your garden grow
I love you, I want you, please stay you'll
Gimme your love forever
Gimme your love
Gimme your love forever
Oh, oh, gimme your love imme your love Words and Music by Jack Conrad and Frank Musker
