One and the Same (instrumental)

Rob Dougan

well i
keep on waiting
for you to say
that your wait is over
and you've woken up in clover
yeah
we're one and the same
seems like
it's never ending
but good lights the way
let's keep believing
that we're one
that we're one and the same
one and the same
salvation see it lights the way
each time we see heaven
it slips away
so keep believing
don't come undone
keep on dreaming
our day will come
we're one and the same
two birds adrift on the wind
as life slips away
let's keep believing
that we're one and the same
one and the same
let's start living
seize the day
can't miss heaven
it's a step away
let's keep persisting
another day
let's keep believing
come what may
we're one and the same
two hopeless dreamers
wasting away
god has an order

we'll find a way
one and the same
one and the same
