

The Noose

Death Angel

So glad to see you well
Overcome and completely silent now
With heaven's help
You cast your demons outAnd not to pull your halo down
Around your neck and tug you off your cloud
But I'm more than just a little curious
How you're plannin' to go about makin' your amends
To the dead
To the deadRecall the deeds as if they're all
Someone else's atrocious stories
Now you stand reborn, before us all
So glad to see you wellAnd not to pull your halo down
Around your neck and tug you to the ground
But I'm more than just a little curious
How you're plannin' to go about makin' your amends
To the dead
To the deadWith your halo slippin' down
Your halo slippin'
Your halo slippin' down
Your halo slippin' downYour halo slippin' down
(I'm more than just a little curious
How you're plannin' to go about makin' your amends)
Your halo slippin' down
(I'm more than just a little curious
How you're plannin' to go about makin' your amends)Your halo slippin' down
(I'm more than just a little curious
How you're plannin' to go about makin' your amends)
Your halo slippin' down
(I'm more than just a little curious
How you're plannin' to go about makin' your amends)Your halo slippin' down
Your halo slippin' down to choke you now
