

A Line from Lie

[Matt Nathanson](#)

Next hit.
Yell it out quick what.
You got it.
Cheetah?
Just make up a song called Cheetah?
Penis?
My hearing is totally gone.
Either you yelled "cheetah and penis" in a row or you want something.
What is it?
Oh dude.
Beat It.
He has a cheetah and a penis.
Thought you were talking in code.
Okay.
Say it again.
That song Lie?
Oh Jesus Christ.
I wrote that when I was young.
It is your favorite?
What am I supposed to say to that?
No?
At this point I can't say no.
You got like aws from like hot girls.
Way to go.
Let that catch on.
People be like.
No pressure I'm serious no pressure if you don't know it or whatever.
I'll try.
Lie goes like this.
Don't feel much like talking
To you tonight
And I'd rather not let you twist my words around again
To give you something to feel
And I'd rather keep my distance
Thank you very much
Thank you very much
Thats all I know.
