

Suo Gan

Empire of the Sun

Holy saviour, yet so tiny,
Mighty ruler, yet so small.
Infant lowly, born so humbly,
Yet redeemer of us all.
Now the angels sing to greet thee,
God is with us, here on earth.
With the shepherds and the wise men,
Come to see his holy birth
Holy Jesus in a manger,
Little baby in a stall,
Infant holy, God's messiah,
Born to suffer for us all;
Angels bending o'er the cradle,
God's anointed from on high,
Blessed Mary watches o'er you
Singing sweetly "lullaby".
Blessed Mary watches o'er you
Singing sweetly lullaby".
