

Johnny

Sneaker Pimps

I put my hand upon her knee
And she said - do you want to see? I put my hand upon her brest
And she said - do you want to kiss? Gently gently johnny
Gently johnny, my jingle
(repeat) I put my hand upon her thigh
And she said - would you like to try? I put my hand upon her belly
And she said - do you want to feel me? Gently gently gently johnny
Gently johnny my jingle...
(repeat) I put my hand upon her knee
And she said - do you want to see? I put my hand upon her brest
And she said - do you want to kiss? Gently gently gently johnny
Gently johnny my jingle
Etc...
