

# Diamonds

## Breathe Carolina

And we will find our way there  
Live like delicates  
Before we go you'll know  
The spotlight lives in all of us.

(and it's the oh)  
And we'll set the stage  
And walk away to find what's taken  
(and it's the oh)  
And we'll set the stage  
And walk away to find you  
You watch the way I'm talking  
And I'll watch the way you're walking  
I got the lines that'll be in you tonight

So take a listen while we glisten in the summer weather  
We got the wine we just shake shake make it better  
Don't you want to wear my diamonds.  
Don't stop, don't stop, don't stop till you get on top  
The beat won't stop till I

(and it's the oh)  
And we'll set the stage  
And walk away to find what's taken  
(and it's the oh)  
And we'll set the stage  
And walk away to find you  
Come on (make it better), let's do it (make it better),  
You know that this won't last forever (make it better)

(and it's the oh)  
And we'll set the stage  
And walk away to find what's taken  
(and it's the oh)  
And we'll set the stage  
And walk away to find you  
"are you listening to everything that we have said?"  
"are you listening to everything that we will say?"
