End Of Days

Jared Rogerson

We're wasting precious time, the clock is ticking
Can you hear the countdown?
With every hour give me the power
I need the strength to carry on, on and on
No more I care to live when I'm just born to die
We're all born to die, born to die
No more I care to live when I'm just born to die
We're all born to die
Never before, never again
Behold this travesty
Never before, never again
Behold adversary
Never before, never again
Behold this travesty
Never before, never again
Behold adversary
Befriend my enemies, my pulse is racing
I can hear my heartbeat
Is this the last time you get to be mine?
I lack the will to carry on, on and on
No more I care to live when I'm just born to die
We're all born to die, born to die
No more I care to live when I'm just born to die

We're all born to die
Never before, never again
Behold this travesty
Never before, never again
Behold adversary
Never before, never again
Behold this travesty
Never before, never again
Behold adversary
No more sorrows, no tomorrow's
I've never felt alive before, yeah
With every hour, give me the power
I need the strength to carry on, on and on
No more I care to live when I'm just born to die
We're all born to die, born to die

No more I care to live when I'm just born to die
We're all born to die, born to die
No more I care to live when I'm just born to die
We're all born to die, born to die
No more I care to live when I'm just born to die
To die, to die, to die
