

I Look to You (with R. Kelly)

Whitney Houston

As I lay me down
Heaven hear me now
I'm lost without a cause
After giving it my allWinter storms have come
And darkened my sun
After all that I've been through
Who on earth can I turn toI look to you
I look to youAfter all my strength is gone
In you I can be strongI look to you
I look to youYeahAnd when melodies are gone
In you I hear a songI look to you, youAbout to lose my breathe,
There's no more fighting left,
I'm sinking to rise no more,
Searching for that open door, doorEvery road that I've taken
Lead to my regret.
I don't know if I'm going to make it.
Nothing to do but lift my headI look to you.
I look to you.
After all my strength is gone,
In you I can be strong
I look to you.
I look to you.
And when melodies are gone,
In you I hear a song.
I look to you (Whitney)
We love you Whitney, rest in peace
