

Forever

Jeremy Greene

I can feel it
Something is all around me
Taking me over
And pushing all my body
When the beat starts knocking my heart goes out of control
When the lights go down
I feel it deep in my soul
Cause i am gonna love you forever
Yes i am gonna love you forever
Forever

I can feel the music going through my veins
It hits me like poison and my body is going insane
When the beats starts knocking my heart goes out of control
When the lights go down
I feel it deep in my soul
Cause i am gonna love you forever
Yes i am gonna love you forever
Forever
Cause i am gonna love you forever
Yes i am gonna love you forever
Forever
Forever
