All or Nothing

Fiction Factory

Oooh, come to me, this is your only chance

I am abrupt, as far as words will allow
But believe me, I can play such games
You are the trash that makes this love lust worthwhile
And I'll say these strangest things
Yes, I'll say these strangest things

Oooh, come to me, this is your only chance
Oooh, drain me dry
I can see all the things that you want to be
It's all or nothing
Nothing

Live for my dreams, I tell you nothing but lies
And you leave me your goodbyes today
You twist my words until the truth re-appears
Work this thing to the ground, I'll live for that day

Oooh, come to me, this is your only chance
Oooh, drain me dry
I can see all the things that you want from me
It's all or nothing
No, no, no
It's all or nothing

And I'll say these strangest things
Yes, I'll say these strangest things

Oh but talk to me and make everything clear to me
It turns to nothing
Oh, it turns to nothing

Oooh, come to me, this is your only chance
Oooh, drain me dry
I can see all the things that you want to be
It's all or nothing
No, no, no
Nothing

Talk to me and make everything clear to me
It's all or nothing
