Whispering Pines

Claude King

The snowflakes fall as winter calls and time just seems to fly
Is it the loneliness in me that makes me want to cry
My heart is sad like a mourning dove that's lost its mate in flight
Heard the cooing of his heart through the stillness of the night
Whispering pines whispering pines tell me is it so
Whispering pines whispering pines you're the one who knows
My darling's gone oh she's gone and I need your sympathy
Whispering pines send my baby back to me
[ac.guitar]
See that squirrel up in the tree his mate there on the ground
Hear their barking call of love of the happiness they found
Is my love still my love oh this I gotta know
Send a mesaage by the wind because I love her so
Whispering pines whispering pines...
