

Bless You (For the Good That's In You)

Delta Rae

Bless You Ooooh
Bless you ooooh ooh
Bless you
for the good that's in you,
bless you every day
There's some good in everybody,
we're just made that way Good Morning, oh miserable,
you're not as bad as you make out
That frown don't set right
get right up and shout
yeah shout Bless you for the good that's in you,
bless you every night
If you shine like a love light beacon
you'll make out all right Now if any old evil comes around today,
turn it right around and chase it away
Bless you for the good that's in you,
bless you every day
ohhhhhhhh ohhhh
ohhhh o ohhhh
ohhhh ohhhh
ohhhh o ohhhh You know that life is like an old steam engine,
you can either go ahead,
or in reverse
Now the road ahead may look pretty rocky,
but the road behind is bound to be worse If you close your eyes you won't see the sunshine
if you plug your ears you won't hear a thing
And if you shut your heart
you'll shut out the feeling and
there'll never be any reason to sing Bless you, yeah bless you, yes Bless you, yes bless you
That frown don't set right
get right up and shout
Oh bless you for the good that's in you,
bless you every night
If you shine like a love light beacon,
you'll make out all right
If any old evil comes around today,
turn it right around and chase it away
Bless you for the good that's in you,
bless you every day

Bless you, mmm bless you, yes bless you
Bless you for the good that's in you,
bless you every day
