

Revolution

Grandaddy

You say you want a revolution
Well, you know we all wanna change the world
You tell me that it's evolution
Well, you know we all wanna change the world When you talk about destruction
Well, don't you know that you can count me out? Yeah, you know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right You say you got a real solution
Well, you know we'd all love to see the plan
You ask me for a contribution
Well, you know we're all doing what we can If you want money for people with minds that hate
All I can tell you is, "Brother, you have to wait" You know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right You say you'd change the constitution
Well, you know we'd all love to change your head
You tell me it's the institution
Well, you know you better free your mind instead If you go carrying pictures of Chairman Mao
You ain't gonna make it with anyone anyhow You know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right You know it's gonna be all right
You know it's gonna be all right You know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right
