

Da Nex Niguz

Onyx

Aiyyo, fuckin' bitches man
(Word up)
See that's what happen man
When you fuck the dog-shit out of bitches
Muh'fuckin'
If ya, got a girl then you betta believe
She got a, dick up her throat and a trick up her sleeve
But if ya don't take my word, take the word of another
I love my girl more than I love my own mother
Until I caught the bitch in bed fuckin' my brother
Now, pussy to me, is a stick and a bone
I fuck it and she suck it then I leave it alone
Then get out the crib 'fore her man come home
Ding- dong, ring-a-ling-a-ling
Honey I'm home, scumbag sent candy
Feelin' damn dandy crazy drunk off some brandy
Headed to the stairs, tip-tiptoe
With these sneaky ass stairs kid ya gotta move slow
She wasn't in her room, where could she be?
Wait a cotton-pickin' minute, I hear the TV
I slid to the den, what did I see?
I seen a nigga hairy stink ass, what?
And my girl on her knees
(Ohh, shit)
She was suckin' the nex nighu dick
(Oh, shit)
Hey man, I was just watchin' this, it was monotonous
I couldn't figga the nex nighu dick in my girl's esophagus
Suckin' the nex nighu dick
(Oh, shit)
Suckin' the nex nighu dick
(Oh, shit)
Suckin' the nex nighu dick
(Oh, shit)
Yo, that's my motherfuckin' word
Man I was trickin' on this bitch man
I was buyin' this bitch diamonds and the whole shit
Motherfuckin' Moet yaknowwhatI'msayin'?
I was proppin' this bitch up in Def Jam

Niguz was like yo, yaknowwhatI'msayin'? Ricky Bano
Yo, a bitch ain't shit man that's my motherfuckin' word
Yo, Suave, yo Suave, yo Sauve
Yo how do you feel about that shit man?
A freak is a freak and a hoe is a hoe
If ya bitch get this low, that shit is absolutely zero
A hoe will have a pro just claimin' love, I was fancy
You can say like Mary J, just remind me
Was buggin' when she started suckin' fuckin' peppermints
Blow jobs got better?
(How the hell ya miss those hits?)
I know but then I got the shock that almost blocked me like an obstacle
My girl lips locked a niguz cock, like a popsicle
Quick, my man flipped the silencer tip
Now let the dumb bitch go to hell, and suck on the devil's dick
Yep, you knew money felt the chill
He should have ate that pussy then it coulda been his last meal
So don't let my girl suck ya dick
Even if she's suckin' the next niguh dick
(Oh, shit)
Suckin' the nex niguh dick
(Oh, shit)
Suckin' the nex niguh dick
(Oh, shit)
Afficial nastee niguz, afficial nastee niguz
Afficial nastee niguz, afficial nastee niguz
Afficial nastee niguz, afficial nastee niguz
Afficial nastee niguz, afficial nastee niguz
Picture this, picture that
Ya girl's humpin' the next man's plans of comin' back
Tell you that I love you, bacdafucup, breakdafucoff
Bacdafucup bitch or I'ma gonna smack ya wig off
Smack the cum, out ya motherfuckin' mouth
I got proof, oh yeah, 'cause it landed on my couch
She was suckin' the nex niguh dick
(Oh, shit)
She was suckin' the nex niguh dick
(Oh, shit)
Sometimes I feel like a nut
It melts in ya mouth, not in ya butt, oh and
tell your girl to stop changin' her lip stick
I'm startin' to get, rainbows around my dick
I got caught in the act, he pulled a gun and gave chase
It ain't my fault, this bitch take it in the face
Sheeeit, she the one who found Jack

The Blac Vagina Finda, hmm big ain't it?
Lick clit so big God I almost fainted
Suckin' the next niguh dick
(Oh, shit)
She was suckin' the nex niguh dick
(Oh, shit)
She was suckin' the nex niguh dick
(Word?)
She was suckin' the nex niguh, suckin' the nex niguh
Suckin' the nex niguh
(she's still suckin' his dick)
She was suckin' the nex niguh dick
She was suckin' the nex niguh dick
She was suckin' the nex niguh, suckin' the nex niguh
Suckin' the nex niguh
Fuck it I don't need ya
Let the welfare feed ya, word up
Non-thinkin', cum-drinkin' suck, dick
Fuck you bitch
