

Shame On Me

The Bottle Rockets

I'm never gonna waste another day
No I'm never gonna waste another day
But she knows I will anyway
Yes she knows I will anyway Never gonna tell another lie
No I'm never gonna tell another lie
But she knows I will by and by
Yes she knows I will by and by chorus:
Shame on me
Shame on me
It might be wise
To look in her eyes
And see the shame on me
I'm never gonna start another fight
No I'm never gonna start another fight
But she knows that I might
Yes she knows that I might I never want her knowin' me this well
No I never want her knowin' me this well
But she knows that's dumb as hell
Yeah she knows that's dumb as hell chorus
I never want to lose her company
No I never want to lose her company
She knows who holds that key
Yes she knows who holds that key chorus
