

# September Song (feat. Seyi Shay)

JP Cooper

Our love is as strong as a lion  
Soft as the cuts on you lying  
Times we got hot like an iron  
You and I

Our hearts have never been broken  
We were so innocent darling  
Used to talk till the morning

You and I We had that mixtape on every weekend  
Had it repeating  
Had it repeating

You were my September song  
Summer lasted too long  
Time moves so slowly  
When you're only fifteen

You were my September song  
Tell me where have you gone?  
Do you remember me?

We were only fifteen  
And I, I remember the chorus  
They were singing it for us  
You were my September song  
Tell me where have you gone?  
Do you remember me?

We were only fifteen Sometimes I think that I see your  
Face in the strangest of places

Down on the underground station passing by  
I get a mad sense of danger  
Feel like my heart couldn't take it  
Cause if we met we'd be strangers

You and I Still I play that mixtape every weekend  
Got it repeating

Got it repeating You were my September song  
Summer lasted too long  
Time moves so slowly  
When you're only fifteen  
You were my September song  
Tell me where have you gone?  
Do you remember me?  
We were only fifteen

And I, I I remember the chorus  
They were singing it for us  
I hear that September song  
That I'm singing along  
Thinking about you and me  
Oh what a melody And as the years go by  
You will still be my, be my  
(September song)  
You are my  
(September song) You were my September song  
Summer lasted too long  
Time moves so slowly  
When you're only fifteen  
You were my September song  
Tell me where have you gone?  
Do you remember me?  
We were only fifteen  
And I, I remember the chorus  
They were singing it for us  
You were my September song  
I remember the chorus  
They were singing it for us
