

# There's A Kind Of Hush

[Johnny Mathis](#)

There's a kind of hush  
All over the world tonight  
All over the world you can hear  
The sounds of lovers in love Just the two of us and nobody else in sight  
There's nobody else  
And I'm feeling good, just holding you tight So listen very carefully, get closer now  
And you will see what I mean The only sound that you will hear  
Is when I whisper in your ear  
I love you forever and ever There's a kind of hush  
All over the world tonight  
All over the world you can hear  
The sounds of lovers in love There's a kind of hush  
All over the world tonight  
All over the world you can hear  
The sounds of lovers in love There's a kind of hush  
There's a kind of hush  
All over the world
