Translucent

Duff McKagan's Loaded

Yeah I see right through
Everything you want me to believe is true
So don't lie to me
'Cause this freedom sure ain't free
What's the cost supposed to be
Don't take me for old and deadDon't start singing
About what is wrong
I'm thinking you ain't that strong to take the truth
I ain't dumb, I know it's youWith all the luck you're dealt
You should give back all the wealth you gave yourself
Now wherever you go
All the words come much too slow
Thought I had the right to know
Where you're going and where you've been
Don't start singing
About what is wrong
I'm thinking you ain't that strong to take the truth
I ain't dumb, I know it's youDon't start singing
About what is wrong
I'm thinking you ain't that strong to take the truth
I ain't dumb, I know it's youI see your face is cold and blue
Your expressions make it true
It sucked the life all out of meDon't start singing
About what is wrong
I'm thinking you ain't that strong to take the truth
I ain't dumb I know it's you
So don't start singing
About what is wrong
I'm thinking you ain't that strong to take the truth
I ain't dumb, I know it's you
