Forgotten Children

Tokio Hotel

Just a normal day

Streets turn into graves

Traces have been removed

The search was disapprovedSo cold the night

The weak ones lose the fight

So many of them out there

No one seems to careLost and so alone

Born but never known

Left all on their own

Forgotten childrenWe'll never hear a name

They carry all the blame

Too young to break the chains

Forgotten childrenThey see, they feel

Believe, just like we do

They're laughing and crying

Wanna live here like me and youEyes without light, too tired of goodbyes

Never felt embraced

And frightened of every face

A life in disguise, hope forever diedLost and so alone

Born but never known

Left all on their own

Forgotten childrenWe'll never hear a name

They carry all the blame

Too young to break the chains

Forgotten childrenThey see, they feel

Believe, just like we do

They're laughing and crying

Wanna live here, like me and youIt shouldn't really be that way

It shouldn't really be that wayWe see, we feel

Believe just like you

We're laughing and crying

Wanna live hereWe see, we feel

Believe just like you

We're laughing and crying

Wanna live here, just like you
