

Smile (Moombah Jokes 70s Funk Fix)

Lily Allen

When you first left me
I was wanting more
But you were fucking that girl next door
What'd you do that for? (what'd you do that for?) When you first left me
I didn't know what to say
I'd never been on my own that way
Just sat by myself all day I was so lost back then
But with a little help from my friends
I found the light in the tunnel at the end Now you're calling me up on the phone
So you can have a little whine and a moan
And it's only because you're feeling alone At first when I see you cry
It makes me smile
Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smile Whenever you see me
You say that you want me back
And I tell you it don't mean jack
No, it don't mean jack I couldn't stop laughing
No, I just couldn't help myself
See, you messed up my mental health
I was quite unwell I was so lost back then
But with a little help from my friends
I found the light in the tunnel at the end Now you're calling me up on the phone
So you can have a little whine and a moan
It's only because you're feeling alone At first when I see you cry
Yeah, it makes me smile
Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smile La-la-la, la-la-la, la-la-la, la-la-la
La-la-la, la-la-la, la-la-la, la-la-la
La-la-la, la-la-la, la-la-la, la-la-la At first when I see you cry
It makes me smile
Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smile At first when I see you cry
It makes me smile

Yeah, it makes me smile
At worst I feel bad for awhile
But then I just smile
I go ahead and smile
