

# Think About Me

## Fleetwood Mac

All it took was a special look  
And I felt I knew you before  
I didn't mean to love you  
Didn't think it would work outBut I knew we would be together  
And I couldn't wait for more  
But what can they say  
It's not against the lawI don't hold you down  
Maybe that's why you're around  
But if I'm the one you love  
Well think about meI believe that you really want me  
But it's not easy, just to give in  
So let yourself go and let love beginI don't hold you down  
Maybe that's why you're around  
But if I'm the one you love  
Well think about meI don't hold you down  
Maybe that's why you're around  
But if I'm the one you love  
Well think about meBaby, once in a while  
Now think about me  
Baby, once in a while  
Think about meBaby, once in a while  
Don't you think about me  
Every, every once in a while  
Think about me
