She Gives Me A Bang

New Edition

She gives me pretty lovin' with the kissin' and huggin'
You're such a sexy thing, you give me a bang
Even when we're walkin' or maybe just talking, yeah
You're such a sexy thing, you give me a bangTake me, baby, I'm yours
(Ohh)
Girl, I need you
(Girl, I need you)Got to have you
(Got to have you)
Girl, I want you
(Girl, I want you)Girl, can't you see?
I've got to have you into my life
Yes I do, now
Into my life, got to have youGirl, let me tell you, how I really feel
