

I Believe

Tata Young

I feel the heat around me
I feel the beat surrounds me
Could this be for real, I wonder
 No need for hesitation
It's time for celebrationWill this be the night I've waited for
 When angels fall in love
Heaven knows, does it show, oh
 If this love, will last for eternity
Set me on fireI believe, I believe in love
 And like the stars above
They shine, let it shine over me
 Set me free I believe in you
 And that our love is true
Oh I believe, I believeI see that people dancing
 Boys and girls romancing
 They want this to last forever
 'Cause underneath the moonlight
Everything is alrightWe're reaching our hands up in the air
 To where the souls alive
Heaven knows, that it shows oh
 If this love, will last for eternity
Set me on fireI believe, I believe in love
 And like the stars above
They shine, let it shine over me
 Set me free I believe in you
 And that our love is true
Oh I believe, I believeHow could I doubt, what was meant to be
 Everything I needed was in front of me
Your healing touch, will lift me up in the sky, so highI believe, I believe in love
 And like the stars above
They shine, let it shine over me
 Set me free I believe in you
 And that our love is true
 Oh I believe, I believe
