

Bride in Black

Fancy

Playing on the sand
Endless playing
Winter sun
Shadows dance
Cold winds
Nowhere land
Frozen heart
Please my hands Blue moon Overhead
Wrapped round

I will reach you
In the name of love Bride in black, bring her back
To me
Bride in black, bring her back
Bride in black, bring her back
To me
Bride in black, bring her back
Bride in black Crack in the universe
Soldier reverse
Darkness in our sacred dome
Golden shine
Coming from
The endless rain
Oh my dear
Crystal shadows
No white fear
Rise and send
Her back to me
My love
