Fall in Place

La Sera

I'm very sure now of your home here
See the pieces fall in place
It's almost time to unwind here
Holding on to who you areFinally ready to fall in place, fall in place, fall in place
Never willing to fall in place, fall in place, fall in placeWhen we go out in the darkness
Others hold no meaning hereFinally ready to fall in place, fall in place, fall in place
Never willing to fall in place, fall in place, fall in place
Already thinking about itÃ¢EÂ¦it's only been a day, it's only been a week
Already worked up about itÃ¢EÂ¦it's only been a month, it's only been a year
Already nervous about itÃ¢EÂ¦again
