

# So Yours

Darin

(VERS)

I can tell that u dig me, I dig u too  
What's a guy to do, I've fallen for u  
Let me know what u want  
And I'll find a way somehow(PRE)

I need to be where you are  
(na na na na na)

Can't keep away not to far  
(na na na na na)(CHORUS)

(You know that) Baby I like you, do you dig me back  
Say that you want me cause I want u bad  
You need to get closer to know what you have  
I'm yours, so yours

Baby I can't take the distance no more  
Say that i got you don't put me on hold  
Now I am here cause I want you to know  
I'm yours, so yours(VERS2)

Tired of thinking of things that could go wrong  
Now's the time yeah I've waited so long  
Gotta know what you think if you feel the same
