The Way You Dance

The Go-Go's

The way you dance
You move in self romance
And you don't see me watch
The way you dance
Your eyes close in a trance
So you don't see me watchingPeople in this place just seem to stand around
Flashing cash they eye each other up and down
You're all alone out on the floor
The music spins you 'round
It's all you came here for[Chorus]
I see the night it's slipping by and every song
Takes me closer to the time when you'll be gone
How can I get through
Don't want to break the spell
I just want to dance with you[Chorus]
